Request Information	
Request Description	
System should refresh the prices from Aydın Commodity Exchange Market Olive Oil Currency every day.	
Justification	
This requirement is necessary because the olive oil prices are changing continuously so the system should update price data every day. System make t the calculations are based on these prices so that is important to refresh them. Displayed prices, earnings and forecast about earnings change and calculated based on these updates.	
Effect if declined (Risk if the project request is declined)	
If the olive oil prices are not refreshed based on Aydın Commodity Exchange Market Olive Oil Currency, the system will make its calculations based on old price data. The olive oil prices displayed to the user, earnings and forecast about earnings will be affected and , these calculations will give the wrong results to the user, so this will cause the malfunction of the system,
